## Funding Continued

Today, Northern B. C. Winter Games Society President, Gary Schmidt, announced that Provincial Government funding to the Society would continue after the 2004 Games.

As part of the Provincial Government's core review the Society had been advised that funding would cease after the 2004 Games. At that time the Minister Responsible for Sport had committed to restore the funding if possible.

"The continuation of the Society's funding is recognition of the importance of the Northern B C Winter Games to the Provincial Government" stated President Gary Schmidt. He also stated that he would like to thank all the people who supported the Society in working towards continuation of the funding, including the Northern MLAs.

The next Northern B C Winter Games will be held in Kitimat in February 2004.
