Eligibility of Competitors

- (a) Provincial Sport Organizations choose the age group of athletes to attend the BC Games within the BC Games Society Core Sport policy. Generally, they are under 18 and are athletes who have potential to move beyond local or regional competition to higher level competition and are generally in the higher end of the Learning to Train stage or the lower end of the Training to Train stage of the sport's Long Term Athlete Development (LTAD) model or Canadian Sport for Life (CS4L) framework.
- (b) Due to the level or age of athletes, some Provincial Sport Organizations have restricted the eligibility of competitors beyond those outlined in this section. [Refer to Technical Package for each Sport for information](#).
- (c) Athletes or teams competing in the BC Games must be approved by their respective Provincial Sport Organization.
- (d) The date for determining athlete ages for all events in a sport shall be no later than July 17, 2014, unless otherwise specified by the Provincial Sport Organization in the Technical Package for the Sport.
- (e) The BC Winter Games are open to individuals whose permanent residence/major domicile has been the

Province of BC for at least three months immediately prior to the BC Games, with the following exceptions:

i) Athletes residing at an address In Canada but outside of BC are eligible for the BC Games if they:

1) reside near the BC border and associate primarily with British Columbia in school, league, club, or team play; AND

2) are members of the British Columbia provincial sport organization (PSO) for their sport; AND

3) they do not compete in any leagues, provincial competitions, or provincial Games of any other province or territory.

ii) when the above-noted exception is invoked, the following shall apply:

1) No more than 30% of the allocated number of athletes and/or wildcards shall be included on the Zone Team.

iii) athletes residing in BC but attending school outside the Province of BC AND who train in BC (i.e.

permanent training program is in BC), are eligible to compete in the BC Games if they return to BC to compete in a qualification event for the Zone in which they make their permanent residence. Athletes qualifying under this rule are not considered out-of-province athletes; therefore, rule (e) ii) does not apply.

(f) Each Athlete, Head Coach, Assistant Coach, and Adult Supervisor shall compete only for the zone in which they make their permanent residence. Exceptions to this rule may be considered for athletes who attend school in BC but outside of their Zone where it is not feasible for them to return to their Zone because of distance, to compete in the Zone Qualification event(s) for their Zone.

(g) Each Athlete, Head Coach, and Assistant Coach may participate in only one sport at the BC Games.

(h) Any exceptions to eligibility rules must have the approval of the BC Games Society Event Manager responsible for Sport **PRIOR TO** the Zone Qualification event(s).

Entry Deadlines

(a) Zone Qualification Events: Consult the Zone Representatives for local qualification dates. Check with the Provincial Sport Organization for subsequent deadlines. Zone Qualification dates are determined by each sport.

[See Technical Package for each Sport.](#)

(b) Registration of Games Athletes: The BC Winter Games registration deadline of Monday, June 16, 2014 must be strictly adhered to. Information about the BC Games Online Participant Registration process will be mailed to each Zone Representative listed for each sport (or the Provincial Advisor if a Zone Representative is not listed) approximately six months prior to the Games. The BC Games Online Participant Registration process must be used by each sport to provide the names, addresses, etc. of all Athletes, Head Coaches, Assistant Coaches, Adult Supervisors, and Substitutes from each Zone. The Zone Representative should ensure the BC Games Online Participant Registration process is completed immediately after the Zone Qualification event(s) and should not wait until June 16, 2014 to complete this process. The BC Games Society will mail a package with the Guide to the Games and other information regarding transportation, accommodation, accreditation, ceremonies, etc. directly to each registered participant within ten days of the registration deadline.

(c) Registration of Officials: Each Provincial Advisor will be sent information about the BC Games Online Participant Registration process so that they may register the predetermined number of officials for their sport by June 16, 2014. Officials registered after this date will not be entitled to stay in Games accommodation or travel on Games transportation to/from the Games and will be required to make their own travel and accommodation arrangements, at their own expense.

(d) Accreditation Centre: The Participant Accreditation Centre location will be determined by the Host Community and the BC Games Society. Individuals should check in at the Participant Accreditation Centre as soon as they arrive. No one will be permitted to obtain another participant's accreditation information. All participants in the BC Winter Games must personally check-in at the Participant Accreditation Centre by 5:00 pm on Thursday of the Games weekend. No one will be accredited to participate in the BC Winter Games after that time. For further details on the location of the Participant Accreditation Centre and all rules governing registration, please contact the [Provincial Advisor for the respective sport.](#)

Substitution

(a) Competitors: The Athletes and Substitutes in each sport, including the events in which they will participate, where applicable, must be designated via the BC Games Online Participant Registration process by the

registration deadline. Substitution for competitors may be made at the time of Accreditation in the Host Community only if the Substitute was registered as a Substitute via the BC Games Online Participant Registration process by the deadline of June 16, 2014. Under no circumstances will an athlete be permitted to substitute at the time of accreditation if their name does not appear as a properly registered substitute on reports from the BC Games Online Participant Registration process.

(b) Head Coaches, Assistant Coaches, Adult Supervisors, and Officials:

Head Coaches, Assistant Coaches, and Officials may be substituted for those previously submitted, upon accreditation in the Host Community. The total number of Head Coaches, Assistant Coaches, Adult Supervisors, and Officials may not exceed the number stated in the [Technical Package for each Sport](#).

Replacement Teams and Wildcard System

[Click here for information about the Replacement Team Policy](#) (for team sports) and the [Wildcard Policy](#) (for individual sports).

Registration Fee

A registration fee of \$150.00 (inclusive of taxes) for each Athlete will be assessed for participation in the BC Games. The registration fee is waived for Head Coaches, Assistant Coaches, Adult Supervisors, and Officials. The *payment of registration fees* to the BC Games Society is made by the Provincial Sport Organization for all athletes in attendance at the Games for their sport, within 30 days of the Games. It is the responsibility of the PSO to collect registration fees from athletes.

Transportation

Chartered bus and/or air transportation will be arranged for Games participants who have chosen BC Games transportation, from predetermined Zone pick-up points for arrival in Nanaimo on Thursday, July 17. Charter bus and/or air transportation will depart from Nanaimo in the afternoon and evening of Sunday, July 20 or early morning of Monday, July 21.

Alcohol consumption and smoking are NOT permitted on BC Games transportation. Bus drivers have the authority to remove any passengers from BC Games transportation who do not comply with these regulations.

The time and location of departures will be sent to all participants after June 23, 2014 when all registrations have been received and processed. No cash equivalents will be issued for alternative modes of transportation.

Athletes with a disability should [contact their Provincial Advisor](#) for information about their travel options.

Team Travel - To ensure the safety and supervision of BC Games athletes during travel to and from the BC Games, zone teams travel together on Games transportation (buses/flights) departing from and returning to central pick-up locations. This ensures that every athlete is supervised by an accredited adult (Head Coach, Assistant Coach, or Adult Supervisor) from the time they board a bus/flight until the time they arrive at their destination.

The Zone Representative chooses the central pick-up/drop-off location(s) for the zone team based on where the majority of participants live. A minimum of one of the accredited adults with the zone team must leave from and return to the selected location(s) with their athletes. The maximum number of pick-up/drop-off locations is based on the number of adults (Head Coach, Assistant Coach, or Adult Supervisor) associated with the zone team. This ensures that the zone team travels on the same bus(es) or flight(s) and that the athletes have adult supervision throughout the journey. This also ensures that the team arrives at their destination at the same time.

Participants must provide their own transportation to/from the selected pick-up/drop-off locations. The pick-up/drop-off location(s) may not be the closest one to the participants' homes however, this system is necessary to ensure proper safety and supervision of athletes.

Example: The Thompson-Okanagan (Zone 2) team has athletes and coaches from Kamloops, Penticton, Kelowna, Merritt, and Vernon. There are two adults (Head Coach and Assistant Coach) associated with the team; therefore, two central pick-up/drop-off locations are chosen, Kamloops and Kelowna. One of the adults will travel from/to each location. The Zone Rep assigns athletes to travel from/to one of the two chosen locations with one of their coaches, even though there may be Games transportation (with other Zone teams or sports) departing from/returning to locations closer to their home.

During the registration process, Zone Reps will select their zone's team travel pick-up/drop-off location(s) (city) by the registration deadline of June 16, 2014.

Accommodation

(a) All participants under 19 years of age residing outside of the Nanaimo School District #68 are required to stay in BC Games accommodation unless otherwise stated in the [Technical Package for the Sport](#). All athletes under 19 years must be properly chaperoned. [See roles of Head Coaches and Assistant Coaches and Adult Supervisors](#).

(b) Athletes 19 years and over and those residing in the Nanaimo School District #68 have the option of staying in BC Games accommodation or securing alternate accommodation at their own expense. Participants who elect to provide their own accommodation will be responsible for:

- the cost of alternate accommodation;
- supplying their own breakfasts and dinners; and
- providing their own transportation while at the BC Games.

The accommodation choice of every participant must be indicated when they are registered via the BC Games Online Participant Registration process by the Registration Deadline. Those choosing BC Games accommodation are expected to stay for the duration of the Games and will be removed from competition if they depart from Games accommodation before the conclusion of the Games. Refer to section (f) below for rules regarding leaving Games accommodation.

(c) Athletes with a disability and their support personnel have the option of staying in BC Games accommodation or securing other accommodation at their own expense as outlined in paragraph (b) above. Athletes with a disability and their support personnel, who choose alternate accommodation at their own expense, will still have access to breakfasts and dinners in the BC Games cafeteria(s) at no cost. Athletes with a disability should [contact their Provincial Advisor](#) for information about their accommodation options.

(d) Head Coaches, Assistant Coaches, and Adult Supervisors who accompany teams or individual athletes under 19 years of age are required to stay with them in BC Games accommodation in a supervisory capacity. Head Coaches, Assistant Coaches, and Adult Supervisors of teams or individual athletes where all athletes are 19 years of age and over are given an accommodation option as outlined in paragraph (b) above.

(e) Officials for each sport who are 19 years and over have the option of staying in BC Games accommodation (for three nights) or securing alternate accommodation at their own expense. If officials choose to stay in alternate accommodation they will be provided with BC Games meals and transportation. Officials who are under 19 must stay in BC Games accommodation and must have an adult stay with them in a supervisory capacity.

(f) Leaving Games Accommodation - Any Participant who chooses Games accommodation must remain in accommodation for the duration of the Games. Anyone who removes themselves from Games accommodation prior to the completion of the Games will be subject to disciplinary action, including disqualification from competition. Should participants be finished competition prior to the final day of the Games, they may remove themselves from Games accommodation. Any participant removing themselves from Games accommodation is also removing themselves from Games transportation for their return trip. This means that they will need to make their own transportation arrangements for their trip home, at their own expense. Participants are permitted to permanently leave Games accommodation if and only if they (or a parent/guardian or the team coach, if under the age of 19) and the Provincial Advisor signs and submits the required form.

Note: Some sports may require all participants to take BC Games transportation and/or stay in BC Games accommodation. [See Technical Package for each Sport.](#)

Head Coaches, Assistant Coaches and Adult Supervisors

Unless stated otherwise in the technical package for each sport, Head Coaches at the 2014 BC Summer Games must be fully certified at Competition Introduction or the sport's NCCP Level 2 equivalent, as specified by the PSO in the [Technical Package for each Sport](#).

To assist Provincial Sport Organizations in meeting coach certification requirements, the BC Games Society has implemented a Coaching Exemption Policy which permits PSOs to apply for an exemption on a zone-by-zone basis. Exemption applications are due June 9, 2014, one week before the registration deadline. [Review the policy for more details](#). The Application form will be provided to Provincial Advisors closer to the Games.

In addition to coaching duties, Head Coaches, Assistant Coaches, and Adult Supervisors are expected to travel with their Athletes on BC Games transportation, stay with them in BC Games accommodation, and supervise them throughout the BC Games. Head Coaches and Assistant Coaches are expected to act in a supervisory capacity travelling to/from and at the Games with their Athletes and to ensure that their Athletes adhere to the BC Games General Rules, the Technical Package for their Sport, and the Code of Conduct.

Adult Supervisors

Sports are not allocated Adult Supervisors. This role code is used instead of Assistant Coach when the individual filling the role does not have ANY NCCP training. These individuals are acting in a supervisory capacity with the zone team. Adult Supervisors are not over and above the allocated number of Head Coaches and Assistant Coaches per sport and zone. In special circumstances additional adults may be permitted with a zone team but only with the approval of the BC Games Event Manager responsible for Sport. Adult Supervisors must be a minimum of 19 years of age and must reside in BC Games accommodation with their zone. They are also expected to travel to and from the BC Games with their zone team, if applicable.

Officials

Transportation, accommodation, and meals will be provided for a predetermined number of officials for each sport as outlined in sport-specific rules. These individuals will be named and registered by the Provincial Advisor before the registration deadline. In accordance with the BC Games Society policy, no officials will be paid a fee by the BC Games or the Host Community for their services.

In general, major officials (referees, umpires, etc.) are registered as officials through the Provincial Advisor and minor officials (scorekeepers, timers, etc.) are registered as volunteers in the Host Community.

Others (such as a Zone Representative or the Provincial Sport Organization President who has been actively involved in the administration and organization of their sport's involvement in the BC Games) may be registered on the list of officials, by the Provincial Advisor, as long as the maximum number of officials allocated for the sport is not exceeded. The Provincial Advisor must ensure that the officials (referees, umpires, etc.) have been appointed before naming any other individuals.

[Refer to the Technical Package for the Sport for maximum number of officials for each sport.](#)

Individuals registered as officials who are under 19 are required to stay in Games accommodation and are required to have an adult stay with them in a supervisory capacity.

Medals

Gold, Silver, and Bronze medals specially cast for each BC Summer and BC Winter Games are awarded at the Games. Medals are awarded to each individual and/or official member of a team having competed and placed in a designated medal event as follows:

- When there are four or more competitors or teams, Bronze, Silver, and Gold medals will be awarded.
- When there are three competitors or teams, only Silver and Gold medals will be awarded.
- When there are two competitors or teams, only a Gold medal will be awarded.
- Medals at the BC Summer and BC Winter Games are presented in the following order:
Bronze Medal Third Place
Silver Medal Second Place
Gold Medal First Place

Only BC Games medals are permitted to be awarded at the BC Games unless pre-approved by the BC Games Event Manager responsible for sport and outlined in the sport-specific rules.

Uniforms and Equipment

(a) **Uniforms:** Uniforms are the responsibility of each individual or team. All athletes must be properly attired for their sport. There are restrictions on sponsor logos included on uniforms, clothing, pinnies, bags, etc. worn at the BC Games. There are also policies on when and how the BC Games logo and zone information may be used on these items. Refer to the [Logo Use and Recognition policy](#) and the [Graphic Standards for Participants manual](#) for details. Pre-approval is required on items - [contact the BC Games Society](#).

(b) **Equipment:** All equipment used during the BC Games must meet the specifications of the governing Provincial Sport Organization. Individuals and/or teams must supply their own practice balls and/or equipment.

(c) **Medical Equipment:** Each individual or team is to supply their own basic training and medical supplies such as tape, elastic wraps, cold packs, etc. There will be fully qualified first-aid personnel at each sport location to treat any injuries sustained during competition.

Zone Colours

Colours have been established for each zone for purposes of identification in various matters. These colours are not compulsory for uniforms if the individuals or teams have others they wish to use or if the sport is played in "whites". It is, however, appreciated if each sport would attempt to incorporate their Zone colour in some manner to help identify their competitors. Click here for [zone descriptors](#) and refer to the [Graphic Standards for Participants manual](#) for zone colour information.

Conduct of Participants

Exemplary conduct is expected of all Games participants. This is expected from the time Games participants board BC Games transportation (or arrive at the Accreditation Centre by their own transportation) until they return home. Abuse of any BC Games rules by any participant in any sport may result in removal of that sport from future BC Games. Any behaviour contrary to the spirit of the BC Games or any violation of curfew regulations or BC Games polices, will result in appropriate disciplinary action.

Participants at any BC Games are one of many outstanding Athletes, Head Coaches, Assistant Coaches, Adult Supervisors, and Officials who will be involved in competition. It is important that each participant show Games volunteers and all other Games participants the same respect they would want in return.

Any damages to a BC Games venue or infrastructure due to the actions of a participant(s) will result in disciplinary action and/or financial restitution by the participant(s) involved and/or their Provincial Sport Organization.

During the Games, any Athlete, Head Coach, Assistant Coach, or Official found to be under the influence of, or in possession of, drugs or alcohol, will be subject to appropriate disciplinary action.

The BC Games Society is committed to providing a sport, work, and volunteer environment in which all individuals are treated with respect and dignity and will have no tolerance for harassment. Each individual has the right to participate and work in an environment which promotes equal opportunities and prohibits discriminatory practices. All Games participants are expected to abide by the BC Games Society harassment policy. [See the policy for more information.](#)

Medical Treatment

The BC Games Society has implemented a Medical Protocol for the Removal of Injured Athletes from Competition. [Click here to review the policy.](#)

Head Coaches, Assistant Coaches, Adult Supervisors, family members, and athletes should also note that BC Games Medical volunteers assigned to each sport venue, in conjunction with the Medical Clinic physicians, are responsible for the treatment of all Games participants. Medical volunteers will be at every sport venue during scheduled practice and competition times and are always the first-responders to injuries. This is the case even if a Zone team travels with medical personnel, a trainer, or qualified first aid attendant.
